

## HERD REDUCTION SALE – [totallynaturalbeef.ca](http://totallynaturalbeef.ca)

I have decided to reduce the number of mature cows in my natural grass-fed beef herd. Bulk orders of mature ground beef in approximately one-pound packages will be priced as follows:

**1 – 49 pounds: \$6.75/pound (regular price)**

**50 – 99 pounds: \$6.25/pound**

**100 – 149 pounds: \$5.75/pound**

**150 pounds and over: \$5.25/pound**

- You are welcome to get together with friends/relatives to make a larger order and get a bigger discount.
- All of the mature beef has been raised naturally and grass-fed from birth.
- Our local butchers are currently very busy, so you may have to wait several weeks for delivery/pickup.
- The packages are wrapped in butcher paper. Freezer storage life is at least 4 months. Many people store it for much longer.

### It gets better!

If you order together with friends/relatives, and you provide me with the approximate amount that each person wants, I will package each person's order separately and show the individual amounts on your receipt, at the discounted price.

The only additional fee is for delivery, which is usually \$14 or \$19, depending on your location. There is no fee if you pick up your order at the farm.

**Payment:** If it is a group order, please choose one person to pay for the whole order. It will get too complicated for me to collect payment from several individuals. You can pay by PayPal(one day before delivery/pickup), email transfer(one day before delivery/pickup) or cash on delivery/pickup.

### To place an order:

Go to [totallynaturalbeef.ca](http://totallynaturalbeef.ca), click on the link for the Online Order Form, and fill in the appropriate fields. If you want to provide additional information(ex. names & amounts for each person), use the SPECIAL REQUEST box on the form. OR send me an email with all of your order information at [info@totallynaturalbeef.ca](mailto:info@totallynaturalbeef.ca)

**Note:** All packages will be approximately one pound – some slightly larger and some slightly smaller, depending on the mood of the butcher that day ☺ You will be billed according to the number of pounds, not the number of packages.

### Samples available:

If you don't know what natural grass-fed mature ground beef tastes like, email me at [info@totallynaturalbeef.ca](mailto:info@totallynaturalbeef.ca) and I will provide you with the number of sample (approximately) one-pound packages you need at \$6.00/package. You can arrange to pick them up at the farm or at my son's home near the Tanger Outlets in Kanata.
